3rd Annual LMWA Charity Golf Tournament benefiting the Dreams Come True of Louisiana, Inc.

Dreams Come True, Inc. (DCT) was founded in 1982 by seven families in Denham Springs, LA with a goal of providing dreams, or wishes, to local area children with life-threatening illnesses. All funding was initially provided by those families. It was decided by this group that their work remain focused on the South Louisiana area, and years later, that vision still holds true. While many worthwhile organizations work toward a similar goal, Dreams Come True is proud to have one paid employee and to have expanded throughout the entire State of Louisiana. The group incorporated in 1982 as a 501 (c) (3) tax exempt organization. The organization was envisioned, and still is considered, a local, homegrown alternative to larger organizations of much broader boundaries that provide dreams to children. To reflect this, the name was changed in 2006 to Dreams Come True of Louisiana, Inc.
